# Button Promotions

Our annual Fall Fest is quickly approaching and our committee is hard at work to make this year great for everyone! We have a variety of things planned and one continued tradition is the Concordia Fall Fest buttons. We want to get a jump on the button promotion and to give you a head start on what kind of promotion you would like to do for your business. Whether it's a special button promo (Ex: Buy One, Get One 20% Off Regular Price), or the card sponsorship with your business's name - WE WOULD LIKE TO HEAR FROM YOU!
