

# Christmas Lighting Donation Form

For 16 years, the spirit of generosity has made an impact on the Christmas lights for Concordia. As our snowflakes age, it is necessary to replace various parts. The Christmas Lighting Committee puts in many hours in making repairs to ensure that the lights are ready to glow.

We need your help to continue this wonderful tradition. Your contribution will enable us to maintain our annual momentum. As a special thank you, handmade stars made by Henry Enterprises will be given to donors who contribute \$500 or more towards the Christmas Lighting effort.

The Christmas Lighting Committee will install the star and special recognition will be given to the donors on the Chamber website as well as in the news if desired.

If you would like to donate towards the Christmas Tree Lighting Fund, please fill out the form below. We thank you for your sponsorship.
