

Dear Potential Sponsor,

On behalf of the 2023 Fall Fest Committee, we would like to thank you in advance for your consideration to sponsor this annual tradition.

The Fall Fest committee is working to create an atmosphere that promotes both community and commerce. Each passing year we strive to improve the event. You will see many of the traditional elements and some brand new additions! We are excited to have added several kids' games to the already successful kid's corner.

Fall Fest is a non-profit event that brings over 6,000 people into Concordia. Our aim is to make this an event that all ages can enjoy and that attendees make plans to return. As always, the success of this event depends on your support.

Sincerely,

Fall Fest Committee

These inflatables will range from large obstacle courses to smaller toddler bouncy houses to games such as basketball hoops and baseball.
